

Velvets

Fian

NEW

Like its predecessor, the Fian is perfect for showing yet adds the latest European protection and safety. Covered in the most luxurious velvet and trimmed to perfection, the Fian offers a slim tan harness to create a supremely elegant appearance.

Sizes: 6 5/8 - 7 1/4 or 54 - 59cm
Colours: Black, Navy, Brown, Grey, Green

Only Kitemarked and CE marked to VG1 01.040 2014-12

H2000

The sophisticated velvet H2000 offers a smart and classic appearance whilst providing the latest protection required by riders in all disciplines. The inside is fitted with a super soft headband, whilst the soft and adjustable tan harness ensures a perfect fit.

Sizes: 6 - 7 1/2 or 49 - 61cm
Colours: Black, Navy, Brown, Grey, Green

Wellington Classic

The Wellington Classic is the epitome of sophisticated protection. Four discreet ventilation holes are covered by the finest velvet, whilst the soft, adjustable tan harness with its cushion comfort padding at the back provides a snug and secure fit.

Sizes: 6 3/8 - 7 1/2 or 52 - 61cm
Colours: Black, Navy, Brown, Grey, Green

Rider

The perfect choice for the everyday rider, the Rider is an economical low profile helmet that doesn't compromise on protection. Covered in easy care short pile velvet, with an adjustable soft nylon harness that crosses at the back for extra stability.

Sizes: 6 3/8 - 7 1/2 or 52 - 61cm
Colours: Black, Navy

Hampton

Elegant and luxurious velvet covers the Hampton, making it perfect for both the competition arena and hunt field. With a soft yet durable tan harness, satin lining and lush headband, this helmet combines low profile styling with the most recent safety and protection.

Sizes: 6 3/8 - 8 or 52 - 65cm
Round Fit available: 6 7/8 - 7 1/4 or 56 - 59cm

Colours: Black, Navy, Brown, Grey, Green

Showjumper XP

This award winning helmet is a deep fitting, traditionally styled safety helmet covered in elegant and luxurious velvet. Designed with the latest safety and protection, this classical look is perfect for the hunt field or the show ring.

Sizes: 6 - 8 or 49 - 65cm
Colours: Black, Navy, Brown, Grey, Green

Ayr8® Classic

A modern alternative to the conventional hat, the Ayr8® Classic offers a fade resistant velvet finish and a perforated velvet centre panel covering the front and rear ventilation slots. An ideal choice for the traditionalist looking for ventilation and the soft GRpx® to ensure a secure fit.

Sizes: 6 3/8 - 8 or 52 - 65cm
Round Fit available: 6 7/8 - 7 1/4 or 56 - 59cm
Colours: Black

Rider 2000

A traditionally styled riding helmet, the Rider 2000 is covered in luxurious velvet with triple standard protection and a super-soft headband. The adjustable soft nylon harness ensures a secure fit.

Sizes: 6 - 7 3/4 or 49 - 63cm
Colours: Black, Navy, Grey, Brown, Green
Sizes below 6 3/8 or above 7 1/2 are not SEI certified to ASTM F1163

Jockey & Cross Country

4Star

Designed for the extreme situation, the 4Star is a deep-fitting cross country skull that provides improved crush resistance through the advanced fibre reinforced shell. The "Free Fit" system pairs the frontal air channel with the front and rear ventilation slots to offer exceptional cooling and sweat evaporation. The GRpx® harness ensures a snug and secure fit.

Sizes: 0 1/2 to 4 1/2 or 54 - 62cm
Colours: Black, Silver

Also Certified to SNELL E2001

Pro II

With superior safety, fit, ventilation and design, the Pro II ticks all the boxes. Triple standard safety, front and rear ventilation slots for air flow and the GRpx® harness for a secure fit makes the Pro II one of the most versatile helmets in the Charles Owen range.

Sizes: 00 1/2 - 6 or 52 - 65cm
Round Fit available: 1 1/2 - 3 or 56 - 59cm
Colours: Black, Navy, Pink, Purple
Heat reflective: Silver, Gold

Pro Racing

Practical for both race riding and cross country, the Pro Racing skull is deep-fitting and slim. Traditionalists will love the fully adjustable harness under the chin as well as with the lacing at the back. It still features the same upward curve at the forehead and cutaway at the back, but adds the front and rear ventilation slots for 2016.

Sizes: 0 - 6 or 53 - 65cm
Colours: Black

Ultralite Euro

A lightweight, deep-fitting and slimmer jockey skull, the Ultralite Euro is a practical choice for all levels of riders. Front and rear ventilation slots and the four-point harness ensure riders' comfort and safety.

Sizes: 000 - 5 or 49 - 63cm
Colours: Black

J3

With its unsurpassed design and function, the J3 is the choice of many riders. Four ventilation holes offer breathability while the cushion comfort harness provides padding at the base of the skull for a secure and comfortable fit.

Sizes: 00 1/2 - 6 or 52 - 65cm
Colours: Black

Pro II Plus

With all the same features of the Pro II, the Pro II Plus adds the benefit of a removable headband which is washable and hygienic.

Sizes: 0 1/2 - 4 or 54 - 61cm
Colours: Black, Silver

Available Summer 2016

APM II

A modern update of the APM helmet, again designed in collaboration with the legendary A.P. McCoy. A slimmer front and sides create a streamlined and aerodynamic quality while the six frontal ventilation slots provide airflow across the forehead. Special styling around the ear provides a more secure fit and the Gelfoam® padded leather harness, with its signature facial protection, is perforated for breathability and sweat resistance.

Sizes: 0 - 4 or 53 - 61cm **Colours:** Black

Adventura

Lightweight helmet ideal for active equestrians it boasts removable and machine washable pads and rear ventilation holes for breathability. Four-point harness ensures a secure fit. Replacement pads can be purchased separately.

Sizes: 0 - 6 or 49 - 65cm
Colours: Black

Young Rider

Young Riders Hat

Designed to appeal to the younger rider, this deep fitting helmet offers the same protection as the adult version. Traditionally styled and covered with easy care, short pile velvet. It comes in a fun Charles & Owen lorry box, with a SOS card for all your medical info.

Sizes: 6 - 7 3/4 or 49 - 63cm
Colours: Black, Navy

Also Certified by SEI to ASTM F1163 from 6 3/8 - 7 1/2

YR8

Fully trimmed in microfibre suede, the YR8 features four discreet ventilation holes for added comfort during extended periods of use. It comes in a fun Charles & Owen lorry box, with a SOS card for all your medical info.

Ayr8® Plus

NEW

With all the same features of the Ayr8® with the added benefit of a removable and washable headband.

Sizes: 6 3/8 - 8 or 52 - 65cm
 Round Fit available: 6 7/8 - 7 1/4 or 56 - 59cm
Colours: Black

V8

Innovation meets style and creates a helmet for optimum performance. From the removable helmet liner to the "Free Fit" frontal air channel, the V8 satisfies a rider's every need. The six-point harness system with the smart quick release alloy buckle provides unsurpassed stability and fit. Available in both microfibre suede and leather look materials.

Sizes: 6 5/8 to 7 1/2 or 54 - 61cm
Colours: Black, Black/Silver, Navy, Navy/Silver

Ayr8® Leather Look

All of the same features of the Ayr8®, with the added elegance of the exclusive leather look side panels. Easy care and maintenance free, your helmet can be revived with a simple wipe down.

Sizes: 6 3/8 - 8 or 52 - 65cm
 Round Fit available: 6 7/8 - 7 1/4 or 56 - 59cm
Colours: Black, Black/Silver, Black/Gold, Navy, Navy/Silver, Brown, Brown/Gold, Charcoal/Black

Ayr8® with Trim

The exclusive leather look Ayr8® pairs well with textured trim in the same tones.

Sizes: 6 3/8 - 8 or 52 - 65cm
 Round Fit available: 6 7/8 - 7 1/4 or 52 - 65cm
Colours: Black, Navy, Brown

AyrBrush

The sporty AyrBrush features the same front and rear ventilation holes and GRpx® technology harness as the very popular Ayr8®. Painted with a mark-resistant matte finish that's easy care, maintenance free and specially made in Britain, the impact absorbing shell is strengthened with glass-reinforced fibres. The washable headband can be removed for easy cleaning.

Sizes: 6 5/8 - 7 1/2 or 54 - 61 cm
Colours: Black, Navy, Brown

Gr8

Sleek and sporty, the Gr8 has a low profile design that is lightweight and available in an array of microfibre suede colour combinations. The colour coordinated harness is reinforced with nylon for added security.

Sizes: 6 3/8 - 8 or 52 - 65cm
Colours: Black, Black/Charcoal, Navy

Premium

SP8

This low profile helmet features all the best technology of the Ayr8® with added sun protection. Specially designed peak, made wider and deeper to shade the whole face and upper neck. Front and rear ventilation slots combined with the "Free Fit" system (a system that pairs the frontal air channel and Coolmax mesh to increase cooling and evaporation of perspiration).

Sizes: 6 5/8 - 7 1/2 or 54 - 61cm
Colours: Black, Navy, Black/Silver, Navy/Silver

Wellington Professional

A sophisticated combination of style, safety and comfort, this low profile helmet features a full adjustable harness with cushion comfort padding at the base of the skull to ensure a snug fit. Four ventilation holes allow perspiration to evaporate inside without disrupting the smooth microfibre suede cover.

Sizes: 6 3/8 - 8 or 52 - 65cm
Colours: Black, Black/Charcoal

Palermo Polo

For safety and style on the polo field, the Palermo is the player's best choice. Featuring front and rear ventilation holes for cooler games and a secure harness system that provides padding at the nape of the neck for added protection.

Sizes: 6 3/8 - 8 or 52 - 65cm
Colours: Black, White, Blue, Navy, Green, Dark Green, Red, Charcoal, Maroon, Yellow
